The seminar is open to all Enso Center Hapkido students (any or all sessions up to your current rank) and any Enso Center Black Belt students.

This is a great opportunity to refresh your memory on the principles and practice the nuances of the techniques.

This seminar is a **FUND RAISER** for Enso Center.

The prices are suggested donation amounts and are tax deductible. Enso Center is a 501(c)(3) non-profit educational organization (EIN: 91-1918720).

No one will be denied access to the seminar due to an inability to pay the suggested donation amount. Please contact Jason Mix for any accommodation you might require.

Finally if you have family members taking a range of full seminar, one day only or multiple sessions you can still use family pricing but you must apply the family pricing in order of MOST expensive to LEAST expensive.

This is a little more complicated to explain in writing than it actually is in practice.
