

To our wonderful Enso Center community,

Enso Center is a 501(c)(3) non-profit organization. We are funded primarily by donations from people like you. These donations provide the ability to keep the programs running, cover the expenses of keeping the facility open, pay the staff, and cover the day to day running of our center. These contributions are tax deductible and also eligible to receive matching funds from employers who offer them.

Enso Center provides classes and promotion tests **free of charge** to anyone who wants to join. There is no payment required to attend classes or to have access to the facility.

We have 3 separate tiers of suggested monthly donations, but you may donate as little or as much as you want.

**Oak Membership** is a suggested donation of \$180 per month, \$135 per month for the second family member, and \$90 per month for the third + family member.

**Maple Membership** is a suggested donation of \$150 per month, \$112.50 per month for the second family member, and \$75 per month for the third + family member.

**Bamboo Membership** is a suggested donation of \$90 per month.

Of course, at any time, you may donate more or less than these suggested amounts. If you want to schedule a monthly donation that is different than these suggested tiers, you can establish a **Custom Membership** for any amount.

**Promotion Tests** are a fundraising event that are also donation based. At the end of the test, upon passing, you may receive an award which would reduce the amount of the donation you may consider tax deductible.

**Colored Belt Promotion Tests** are a suggested donation of \$50 per test.

**Registration and Insurance** donations are something we request to help maintain our insurance and registration expenses. It is a suggested annual donation of \$50 per year for an individual or \$75 per year for a family.

Summer camps, archery, private lessons, and registration through Redmond Parks & Recreation, 6Cricket, or participation through any other 3<sup>rd</sup> party are not tax-deductible donations.

**Archery** is \$75 per month for one class per week, or \$105 per month to attend any/all of the archery classes.

**Summer Camps** and other programs prices vary and will be listed as they are scheduled.

Please reach out if you have any questions at all. Email us at [contact@ensocenter.org](mailto:contact@ensocenter.org) or talk to Jason in person.

*Our mission is to promote awareness, understanding, and harmony - internally, interpersonally, culturally, ecologically, and ideologically.*

*Enso Center encourages the growth of strong sustainable communities through the study of martial arts, nature, languages, literacy, communication, and fine arts.*
